**Decatur
Housing
Authority**

Experience More.

A Message from the CEO/ED

Douglas S. Faust
Chief Executive Officer/
Executive Director

Personal Goal

For over 10 years as CEO/ED of Decatur Housing Authority, I've worked diligently to provide safe, quality housing for all our families. My personal long-range goal has been to create possible early childhood educational opportunities for each DHA family who desires it for their children. While this personal goal was not always within my control, I never stopped working to influence the possibility of life-changing educational enhancement for all our residents.

DHA Facts

- **Formed in 1938**
86 Years of Service to Decatur
- **Authorized by State Law**
Charter & Adopted Bylaws
- **HUD Provides Subsidies**

- **No State or Local Taxes**
Support DHA Operations

Mission Statement

Create **affordable housing** in the City of Decatur, while promoting **vibrant and healthy communities**.

Values

- The Decatur Housing Authority shall continue to be recognized as a leader in affordable housing by:
- Expanding the availability of affordable housing;
 - Offering educational support to the Residents;
 - Respecting and responding to the needs of the Residents and our Community;
 - Working with the City and other Community Partners; and
 - Using a holistic approach in our processes, programs, and resources.

2024 Goals

GOAL 1 Human Capital

Engage, motivate, and reward DHA's highly trained and effective human capital resource, its staff, to efficiently serve DHA's residents, clients, and stakeholders in the provision of affordable housing. Planned objectives include:

Training

Provide opportunities for staff growth and awareness through effective training and assignments.

Reward and Recognize

Engage staff in activities and programs that enhance their desire to improve the quality of their service delivery to DHA's clients.

GOAL 2 Community Engagement & Communications

Incorporate effective community engagement in DHA's communities and Decatur to bring DHA's residents into Decatur and to bring Decatur into DHA's neighborhoods while enhancing partnerships with stakeholder groups. Planned objectives include:

Community Outreach

Continue and extend outreach opportunities for DHA residents.

Community Engagement

Further engage the Decatur community to interact, include, and involve DHA residents in current and future community activities.

Community Education

Expand outreach and educational programming about DHA's mission, programs, and residents.

GOAL 3 Development and Revitalization

To maintain and improve DHA's current communities while creating additional affordable housing focused on vibrant and healthy communities in Decatur. Planned objectives include:

Legacy Phase I

Close the real estate transaction for Phase I in first quarter. Begin Construction and monitor activities.

Legacy Phase I

Close the real estate transaction for Phase I before year end. Begin Construction and monitor activities.

GOAL 4 Operations, Compliance, and Financial

Meet and exceed operational, compliance, and financial performance requirements for the successful operation of DHA's affordable housing. Planned objectives include:

Compliance

Maintain and expand compliance with HUD, DCA, and Investor requirements through DHA's various regulatory responsibilities.

Finance

Continue positive operations of the Authority and seek other opportunities for financial return and investment.

Operations

Enhance operational efficiency of DHA's systems with an update into the MRI software system.

Belinda Seats
Commissioner

Douglas S. Faust
Executive Director - Secretary/Treasurer

DHA was formed in 1938 in service to Decatur. As a public housing authority, it is authorized by State Law with a Charter and Bylaws. Operations are supported by a City of Decatur Resolution. Governance is completed by a six-member Board comprised of five citizen Commissioners with five year terms and one resident (served by DHA) Commissioner with a one year term. Commissioners are appointed by the Mayor of the City of Decatur.

DHA is a Partner Agency to the City, but not a part of the City government. DHA receives no funding from local or state property taxes. DHA operates a diverse assemblage of corporations and nonprofits. It is exactly this diverse and interrelated structure that allows specialized purposes for each corporation or nonprofit to work together in a manner that raises the quality of the development, funding, operations, management, and resident services for its clients.

Corporations

These Corporations meet yearly on the Second Wednesday of the month following the DHA Board Meeting:

March

- Housing Development Corporation
- Swanton Heights
- Gateway General Partner I
- Gateway General Partner II
- Gateway General Partner III
- Decatur East Housing

May

- Decatur Housing Initiatives Corporation

October

- Preserving Affordable Housing
- Decatur Housing General Partner I
- Decatur Housing General Partner II
- Decatur Housing General Partner III
- Decatur Legacy Housing I
- Decatur Legacy Housing II

DHA Board Commitments

- College Scholarships
- STAR Afterschool
- STAR Summer Camp
- True Commitment to Excellence in Housing and Resident Programs

What is EarthCraft?

EarthCraft is a green building certification program designed to address climate, energy and water issues unique to the southeastern United States. EarthCraft serves as a blueprint for energy and resource efficient single-family homes, multifamily structures, renovation projects, community developments and light commercial buildings. Founded by the **Greater Atlanta Home Builders Association** and **Southface** in 1999, the EarthCraft program has certified more than 24,000 projects throughout the Southeast.

Community Engagement & Communications

Strategic Partnerships

DHA has maintained long-standing relationships with key institutions, service entities, foundations, and non-profits, including the **Decatur Education Foundation**, the **City of Decatur**, the **City Schools of Decatur**, and the **Wylde Center**. DHA could never afford to fund all the needs of its residents, and these key partners enable and support DHA's residents in amazing and meaningful ways.

Funding for Resident Services

DHA and the Decatur Housing Initiatives Corp. [DHA's 501(c)(3) nonprofit] aggressively pursue funding opportunities and grants. Recognizing the limitations of securing ongoing and continuing grant sources, DHA's Board authorizes funding its resident services activities from its earned development fees, unrestricted resources, entrepreneurial housing activities, and direct funding (as eligible) from federal sources.

City of Decatur

The City of Decatur is DHA's strategic partner in affordable housing and supportive service activities in Decatur including MLK Service Day, Recreational Activities, Summer Camp, Facilities Access, Storm Water Management,

and Housing Development Efforts. DHA works with the following Departments and Divisions: **Active Living, Police, Fire, Children & Youth Services, Downtown Development Authority, and Economic Development.**

City Schools of Decatur (CSD)

CSD has partnered with DHA since 1999 in the provision of afterschool services to low income families in DHA's housing.

DHA and CSD's educational partnership was forged to serve low-income K-5 students in DHA communities with a safe place to go after school and receive relevant tutorial

assistance. The initial purpose of the effort was the need to address the achievement gap for low-income minority students. The STAR program has done an outstanding job with accomplishing these goals through strong leadership, professionalism, dedicated personnel as well as a rigorous commitment to the students in the DHA community.

Decatur Education Foundation (DEF)

Since 2004, DHA has successfully partnered with DEF to:

- Help individuals or organizations implement ideas to support youth
- Fund special initiatives from CSD
- Host and manage scholarships and other funds for designated purposes

- Connect people and ideas with others to benefit Decatur youth
- Create or join collaborations to address needs and support programs, including:
 - Opportunity Partnership Mentoring Program
 - Computer Lab Technology Enhancements
 - Georgia Teen Institute (GTI)
 - Let's Make Man Initiative

Fund Raising Successes

DHA continually seeks to maximize relationships with its partners to supplement program funding needs resulting from federal budget cuts. Additional funding is allocated annually by the DHA Board of Commissioners in the operating budget for technology support expenses. Additionally, Decatur Computer Help has provided tech support for over eight years without any price increase.

Notable Grants to Support Resident Services

- **2010** - \$10,000 from United Way of Greater Atlanta to update technology lab
- **2011** - Tyler Perry Filming Production Company donated used computers to help establish the Teen Center Technology Lab
- **2012** - Grant awarded by the Decatur Beer Festival to supply books for our youth
- **2014** - \$1,500 grant from DEF to purchase electronic tablets for STAR program youth, and a \$1,000 grant from Decatur Rotary Club for additional tablets

Community Engagement & Communications

Wylde Center

The mission of Wylde Center is to educate, cultivate greenspaces and build community in the areas we serve.

The Wylde Center, a 501(c)3 nonprofit, accomplishes this through educational programs, events and greenspaces that actively engage youth, families and individuals in their environment, health and community, and that develop skills in environmental science, sustainable urban living, organic gardening, health, and nutrition. The Wylde Center provides one of the largest youth environmental and science education

programs in metro-Atlanta, including the Decatur Farm to School program, Atlanta Farm to School, Healthy Living by Healthy Growing at DHA, and science program and field trips linked to Common Core standards.

The Wylde Center joins DHA to cultivate hands-on learning experiences where youth, adults, and seniors can stay active, learn where their food comes from, and to make healthy food choices. The gardening efforts are located at the Allen Wilson, Swanton Heights, and Trinity Walk I & II Communities.

Community Center Revitalized for Resident Services

The Community Center at Swanton Heights was expanded and revitalized to accommodate the STAR Afterschool Program and other Resident Services. Updates included:

- Addition of Two New Classrooms
- Reconfigured Interior to Improve its Utility
- Interior Walls Repaired or Replaced as Necessary
- Community Kitchen Received New Cabinets and Appliances
- All Floor Covering Replaced
- Expanded Entrance for a Modern Look and Improved Security
- Updated Plaza at Main Entrance

Community Engagement & Communications

STAR: Successfully Teaching Academic Readiness

STAR Afterschool Program

In partnership with the City Schools of Decatur (CSD), the STAR Afterschool Program (Successfully Teaching Academic Readiness) furthers educational achievement for students pre-K through 5th grade, and measurably improves the academic success of low-income students in Decatur with tutoring, enrichment, and technology instruction.

The STAR program is held at DHA's Community Resource Center at Swanton Heights and Trinity Walk Community Centers. STAR operates 34 weeks in concordance with the schedule for the City Schools of Decatur, with a staff comprised of seven certified teachers, one technology instructor, four full-time and one part-time DHA employees. Food service is outsourced through CSD and funded by DHA.

Program Highlights

- Five Days-a-Week with 75-90 Students. Second Site has 25 more Students.
- Funds Seven Teachers for Three Days-a-Week
- Funds Two Teacher's Aides & Computer Support
- Operates Numerous Youth Activities and Clubs
- Provides Supplies, Refreshments & Family Support
- DEF Funded New Computers for Lab
- Since 1999, CSD has provided \$579,865* in funding to DHA to operate the STAR Afterschool Program.

*Total as of 2021

STAR Academic Summer Camp

Intensive five-week Math, Reading, and Cultural Enrichment instructional program for rising 3rd grade through middle school students. Classes are designed to help youth retain and enhance their knowledge while closing the achievement gap during the summer. Field trips and other enrichment activities are integrated into the program as a fun and creative approach to learning. Camps also participate in the USDA Free Summer Meals Program.

Summer Camp Highlights

- Academic Support
- Camping
- Swimming
- Enrichment
- Sports
- Nutrition
- Arts & Crafts
- Field Trips
- Holistic Approach to Child Development
- 30 Participants

Community Engagement & Communications

Annual Excellence Awards Ceremony

Presented by DHA Board of Commissioners

DHA's Board of Commissioners recognizes the academic achievement of our students and provides scholarships to all college-bound seniors.

Over the past 31 years, DHA has awarded over **\$708,950** in scholarships. DHA is a steadfast supporter of education in our community.

Some of the academic awards presented are: Perfect Attendance, Overall Improvement, Honor Roll, Performing Arts, All-Around Athlete, Good Citizenship, and Outstanding Conduct.

All DHA college-bound seniors who are attending a two or four year college or Technical School are eligible for a scholarship from DHA's Board of Commissioners. Additionally, any adults living in DHA's affordable housing communities who are seeking a degree are also eligible for a scholarship.

Excellence Awards Highlights

- 100% Senior Graduation Rate for 14 of the last 15 years!
- Excellence Award Recognizes all DHA Students with Rewards
- Scholarships For ALL High School Grads & Adults Going to College
- Aid for 575+ Students & Adults

DHA Creates Douglas S. Faust Scholarship Fund

During his tenure as Executive Director/CEO of DHA, Douglas Faust has taken DHA's commitment to education to greater heights for youth and Residents. His support of youth programs has been a significant part of what has created an impressively high graduation rate.

To honor Mr. Faust's retirement, DHA Board of Commissioners have committed to a new scholarship beginning with the 2025 Excellence Awards Program. Each year, high school seniors residing in DHA properties may apply for this scholarship along with the GAHRA/1st Year Scholarship, by writing an essay in response to a question presented by Mr. Faust. The Board will review the essays and select the most meritorious for a scholarship of \$5,000 towards their continued education.

2024 DHA's Top Scholarship Student:

Ms. La'Princia Simon

Achievements at Decatur High School:

- 3.82 GPA
- National Honor Society
- Black Student Union
- National Society of High School Students
- Attending Albany State University
- Major: Physical Therapy

Earned Scholarships

- Decatur Education Foundation
- Pollack Family Scholarship
- GAHRA Scholarship: \$1,500
- DHA Scholarship: \$3,000

- Quality Infrastructure
- Diverse Population

Development & Revitalization

DHA has been involved in real estate development since 1938 when it managed the development and construction of the original 200-unit Allen Wilson Terrace community to create new affordable housing in Decatur. DHA undertook many additional real estate development efforts, including affordable housing, homeownership, land assembly, and commercial development in the intervening years.

Since then, DHA has evolved from a modest housing authority into a complex nonprofit real estate development and property management corporation with varying business lines, including affordable housing, workforce housing, market rate housing, Low Income Housing Tax Credits (LIHTC), real estate development, tax credit compliance, property management, quality resident services for youth and adults, multifaceted business operations, and homeownership.

DHA, acting through its development entity Preserving Affordable Housing, Inc. (PAHI) develops properties that meet its continued mission of creating and preserving affordable housing within the City of Decatur. PAHI is a Georgia non-profit corporation established by DHA as an instrumentality for affordable real estate development. DHA has 100% control

of PAHI by virtue of the Board of Directors being all DHA commissioners and by virtue of its control over amendments to the Articles of Incorporation and Bylaws.

DHA/PAHI have independently (without a third-party developer partner) developed seven LIHTC tax credit projects in Georgia. DHA/PAHI has been the developer, general partner, and manager of these properties. DHA does not just sponsor the tax credit planning, oversight, financing, management, and resident services, but is in fact a "related and integrated entity" in the development effort. The DHA staff is assigned responsibilities on behalf of PAHI. DHA has engaged an Executive Director and senior staff with experience in real estate development, fiscal management, property management, resident services, and LIHTC credit compliance. Cost for the senior staff who perform PAHI's work will be borne by DHA and may be reimbursed by a staffing allocation plan at DHA's option. Alternatively, PAHI may provide its developer fee to DHA as reimbursement for support of the development efforts.

LIHTC Success DHA successfully competed for and secured Georgia **Low Income Housing Tax Credits (LIHTC)** three times in a row!

PAHI Mission - PAHI was created for the specific purpose of developing affordable housing for low to moderate income persons. PAHI pursues low income housing tax credit development and supports DHA's larger mission of creating new and preserving existing affordable housing within the City of Decatur.

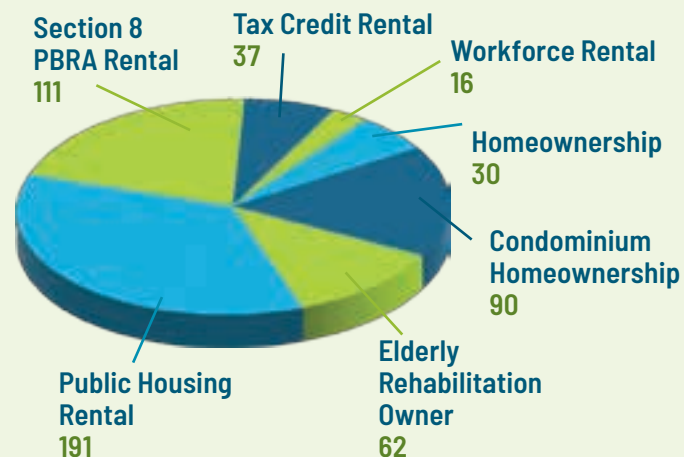

Allen Wilson, Trinity Walk, and Swanton Heights Revitalizations

\$78 Million Affordable Housing Development

DHA Homeownership: Allen Wilson & Trinity Walk

537 Homes developed since 2000

Development & Revitalization: Allen Wilson Terrace

DHA and Decatur Began a Unique Revitalization Effort

Consultation with Residents/Community Agreed:

- **Minimize** Relocation
- **Preserve** Affordable Housing
- **Capitalize** on Exceptional Location: MARTA, Downtown Decatur and Great Schools

Revitalization Strategy Formed

- Replacement of 191 of 200 Units in 3 Phases on 4.8 Acres

Allen Wilson Families

- All Families on-site transferred into the new units or into other DHA Housing
- All Former Families relocated offsite were invited to return
 - 40 Moved with Section 8 Vouchers
 - 29 Remained in the Program in 2013 and were invited to return to the New Housing
 - 1 Returned
 - 28 Opted to Keep their Section 8 Vouchers
- Full Occupancy completed in less than 30 days for each of the three phases

Revitalization Investment

Revitalization (3 Phases)	Investment	Units
Allen Wilson Phase I	\$5,814,985	40/Family
Oliver House at Allen Wilson (Phase II)	\$12,383,737	80/Senior
Allen Wilson Phase III	\$10,144,293	71/Family
Total Development	\$28,343,015	191

Before - Allen Wilson Terrace

- 200 Units Public Housing
- Built in 1941
- Two Renovations Over 65 Years
- Undersized & Obsolete
- Failing Systems
- Poor Rehab Opportunity
- Key Partners - Residents, City, HUD and DCA

Green Features

- 50kWh Photovoltaic Solar Panels
- Geo-Thermal Heating/Cooling
- Hybrid Geo-Thermal Water Heating
- Rainwater for Toilets & Irrigation
- Energy Star Appliances
- High Efficiency (14 SEER) HVAC
- Foam Insulation & Low VOC
- Formaldehyde-free Cabinetry
- ¾ Acre of "Green Space"
- ½ Mile of Paved Walking Trails

Amenities

- 80 Affordable Senior Units
- Courtyard Gardens
- Roof Garden Terrace
- Low-Impact Fitness Center
- Craft Room
- 5 Computers w/ Internet
- Sun Rooms on 4 Floors
- Fully Furnished Library
- Electronic Building Access

Development & Revitalization: Trinity Walk & Oakview Walk

Development Strategy & Principles

- **Replace** Gateway and Oakview with Vibrant Housing
- **Minimize** Relocation Requirements
- **Develop** Family Amenities

- **DHA Project Based Vouchers** – 40 Vouchers Planned to be Project-Based in Phase I

provided by the City of Decatur and the DHA. Equity and debt investment for Phase I is provided by Hudson Housing Capital, Advantage Capital, and Bank of America.

Construction on Village at Legacy Phase I began in early 2024, with construction completion in summer of 2025. Village at Legacy Phase II is expected to begin construction in early 2025.

Decatur Housing Authority is excited to have been chosen by the City of Decatur for the development of affordable housing at Legacy Park. This new development, known as the Village at Legacy, will be constructed in two phases, each consisting of 66 units of quality housing made available for low-income families. Phases I and II will consist of a mixture of housing types, including duplexes and garden-style apartments.

The City of Decatur purchased the former United Methodist Children's Home property consisting of 77 acres in 2017. Following the acquisition, the City conducted a yearlong planning process to complete a full master plan for Legacy Park. The City then completed a Housing Addendum that defined what affordable housing should look like in the North and South Housing Villages. In the fall of 2021, the City of Decatur engaged DHA, and its nonprofit housing developer Preserving Affordable Housing, Inc. (PAHI) through an Intergovernmental Agreement to develop, own, and operate the affordable housing in the South Housing Village. The City of Decatur will continue to own the land at Legacy Park and has entered a long-term ground lease with DHA for the project.

The Village at Legacy successfully integrates the new housing into Legacy Park's pleasant setting while providing affordable housing in a city that offers excellent education, employment opportunities, health services, and recreational amenities. In addition, residents will enjoy community amenities including a large community center and green space, a business center, a barbecue pavilion, and raised garden beds. DHA will also be extending its robust resident services program to serve Village at Legacy residents.

DHA has been awarded Low Income Housing Tax Credits by the Georgia Department of Community Affairs to support both phases of development. Additional financing is being
